REGISTRAR OF INDUSTRIAL PROPERTY

THE TRADE MARKS ACT 1999

The Jamaica Intellectual Property Office
Trade Marks, Designs and Geographical Indication Directorate
18 Trafalgar Road
Kingston 10
Jamaica

The following applications for registration of a Trade Mark have been received and it is hereby notified that pursuant to section 22 and 24 of the Trade Marks Act 1999 and Rule 12 of the Trade Marks Rules 2001, any person may, within two months from the date of this publication of an application for registration of a Trade Mark, give to the Registrar notice of opposition to the registration and the applicant a duplicate of the notice and in the absence of any such notice, the name, address and description of the applicants will be entered in the Register of Trade Marks as the registered proprietors of the Trade Mark described in their application.

M. Goffe

for Registrar of Industrial Property

Disclaimer

Information printed for each accepted mark in this journal has been uplifted from the corresponding application and is an accurate representation of the application filed.

Computers; computer hardware; wearable computer hardware; handheld computers; tablet computers; telecommunications apparatus and instruments; telephones; mobile telephones; smart phones; wireless communication devices for the transmission of voice, data, images, audio, video, and multimedia content; network communication apparatus; handheld digital electronic devices capable of providing access to the internet and for the sending, receiving, and storing telephone calls, electronic mail, and other digital data; wearable digital electronic devices capable of providing access to the internet, for sending, receiving and storing of telephone calls, electronic mail, and other digital data; smart watches; wearable activity trackers; connected bracelets [measuring instruments]; electronic book readers; computer software used in connection with publishing, content management, news reporting and aggregation, online advertising, advertising campaign management, and market research; computer software used to monitor readership of online content, user engagement, advertising exposure, and consumer response; computer software for setting up, configuring, operating or controlling mobile devices, mobile telephones, wearable devices, computers, computer peripherals, set top boxes, televisions, and audio and video players; application development software; computer game software; downloadable pre-recorded audio, video and multimedia content; computer peripheral devices; peripheral devices for computers, mobile telephones, mobile electronic devices, wearable electronic devices, smart watches, smart glasses, earphones, headphones, set top boxes, and audio and video players and recorders; wearable computer peripherals; wearable peripherals for use with computers, mobile telephones; mobile electronic devices, smart watches, smart glasses, televisions, set top boxes, and audio and video players and recorders; accelerometers; altimeters; distance measuring apparatus; distance recording apparatus; pedometer; pressure measuring apparatus; pressure indicators; monitors, display screens, head mounted displays, and headsets for use with computers, smart phones, mobile electronic devices, wearable electronic devices, smart watches, smart glasses, televisions, and audio and video players and recorders; smart glasses; 3D spectacles; eyeglasses; sunglasses; spectacle lenses; optical glass; optical goods; optical apparatus and instruments; cameras; flashes for cameras; display screens for computers, mobile telephones, mobile electronic devices, wearable electronic devices, smart watches, smart glasses, televisions, and audio and video players and recorders; keyboards, mice, mouse pads, printers, disk drives, and hard drives; sound recording and reproducing apparatus; digital audio and video players and recorders; audio speakers; audio amplifiers and receivers; motor vehicle audio apparatus; voice recording and voice recognition apparatus; earphones; headphones; microphones; televisions; television receivers and monitors; set top boxes; radios; radio transmitters and receivers; global positioning systems (GPS devices); navigational instruments; remote controls for controlling

computers, mobile telephones, mobile electronic devices, wearable electronic devices, smart watches, smart glasses, audio and video players and recorders, televisions, speakers, amplifiers, home theatre systems, and entertainment systems; wearable devices for controlling computers, mobile telephones, mobile electronic devices, wearable electronic devices, smart watches, smart glasses, audio and video players and recorders, televisions, speakers, amplifiers, home theatre systems, and entertainment systems; data storage apparatus; computer chips; encoded credit cards and card readers; electronic payment and point of transaction terminals; batteries; battery chargers; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, and adapters for use with all of the aforesaid goods; interfaces for computers, computer peripherals, mobile telephones, mobile digital electronic devices, wearable electronic devices, smart watches, smart glasses, televisions, set top boxes, and audio and video players and recorders; protective films adapted for computer screens; covers, bags, cases, sleeves, straps and lanyards for computers, mobile telephones, mobile digital electronic devices, wearable electronic devices, smart watches, smart glasses, earphones, headphones, set top boxes, and audio and video players and recorders; selfie sticks; chargers for electronic cigarettes; electronic collars to train animals; electronic agendas; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; prize selection machines; facsimile machines; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; wafers [silicon slices]; integrated circuits; amplifiers; fluorescent screens; remote controls; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; portable remote-controlled car retarders; electrically heated socks; electronic voice command and recognition apparatus for controlling the operations of consumer electronics devices and residential systems; personal digital assistants; heat regulating apparatus; thermostats; monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; electric regulating apparatus; electric light regulators (dimmers); lighting control apparatus; electrical outlets; electrical and electronic switches; alarms, alarm sensors, and alarm monitoring systems; smoke and carbon monoxide detectors; electric and electronic locks and latches for doors and windows; electric and electronic controls for garage doors; residential security and surveillance systems.

In International Class 35

Business management; business administration; business consulting services; career planning, placement, and information services; providing office functions; advertising agency services; advertising, marketing, and promotion services; advertising and marketing consultation; sales promotion services; promoting the goods and services of others; conducting market research; analysis of advertising response and market research; design, creation, preparation, production, and dissemination of advertisements and advertising material for others; media planning services; administration of consumer loyalty programs; arranging and conducting incentive rewards programs to promote the sale of goods and services; computerized database and file management; data processing services; creating indexes of information, sites and other resources available on global computer networks and other electronic and communications networks for others; providing, searching, browsing and retrieving information, sites, and other resources available on global computer networks and other electronic and communications networks for others; organizing content of information provided over a global computer network and other electronic and communications networks according to user preferences; providing business, consumer, and commercial information over computer networks and global communication networks; business services, namely, providing computer databases regarding the purchase and sale of a wide variety of products and services of others; compilations of directories for publishing on the Internet and other electronic, computer and communications networks; retail store services featuring computer, electronic and entertainment products, telecommunications apparatus, mobile phones, handheld mobile digital electronic devices, and other consumer electronics, computer software, and accessories, peripherals, parts, and carrying cases for such products retail store services in the field of books, magazines, periodicals, newsletters, journals and other publications on a wide range of topics of general interest, provided via the Internet and other computer, electronic and communications networks; retail store services in the field of entertainment featuring movies, television programs, sporting events, musical works, and audio and audiovisual works, provided via the Internet and other computer, electronic and communications networks; retail store services featuring computer, electronic and entertainment products, telecommunications apparatus, mobile phones, handheld mobile digital electronic devices, and other consumer electronics, computer software, and accessories, peripherals, parts, and carrying cases for such products, provided via the Internet and other computer, electronic and communications networks; product demonstrations provided in-store and via global communications networks and other electronic and communications networks; subscription services, namely, providing subscriptions to text, data, image, audio,

video, and multimedia content, provided via the Internet and other electronic and communications networks; providing downloadable pre-recorded text, data, image, audio, video, and multimedia content for a fee or pre-paid subscription, via the Internet and other electronic and communications networks; arranging and conducting of commercial, trade and business conferences, shows, and exhibitions; information, advisory and consultancy services relating to all the aforesaid.

In International Class 38

Broadcasting and transmission of voice, data, images, music, audio, video, multimedia, television, and radio by means of telecommunications networks, computer networks, the Internet, satellite, radio, wireless communications networks, television, and cable; broadcast and transmission of streamed music, audio, video, and multimedia content by means of telecommunications networks, computer networks, the Internet, satellite, radio, wireless communications networks, television, and cable; subscription and pay-per-view broadcasting and transmission services by means of telecommunications networks, computer networks, the Internet, satellite, radio, wireless communications networks, television, and cable; matching users for the transfer of music, audio, video, and multimedia by means of telecommunications networks, computer networks, the Internet, satellite, radio, wireless communications networks, television, and cable; telephone, electronic mail, electronic messaging, electronic data transmission, audioconferencing, and videoconferencing services; providing access to telecommunications networks, computer networks, the Internet, satellite communications, wireless communications networks, and cable; providing access to websites, databases, electronic bulletin boards, on-line forums, directories, music, and video and audio programs; communication by computer; information, advisory and consultancy services relating to all the aforesaid.

In International Class 41

Providing training, mentoring, internship, apprenticeship, and career counseling programs in the fields of advertising, marketing, communications, and design; arranging, organizing, conducting, and presenting seminars, workshops, classes, webinars, conferences, online instruction, and distance learning programs; arranging, organizing, conducting, and presenting concerts, live performances, entertainment special events, arts and cultural events, theatrical entertainment, competitions, contests, fairs, festivals, exhibitions, expositions, and sporting events; production, distribution, and presentation of radio programs, television programs, motion pictures, sound recordings; providing ongoing television, radio, audio, video, podcast, and webcast program; providing entertainment, sports, music, informational, news, and current events programming by means of telecommunications networks, computer networks, the Internet, satellite, radio, wireless communications networks, television, and cable television; providing non-downloadable entertainment, sports, music, informational, news, and current events programming; providing websites and computer applications featuring entertainment, sports, music, informational, news, current events, and arts and culture programming; providing websites and computer applications featuring information in the field of entertainment, music, sports, news, and arts and culture; providing non-downloadable computer games, electronic games, interactive games, and video games; providing information, schedules, reviews and personalized recommendations of educational programs, entertainment, motion pictures, theatre, arts and cultural events, concerts, live performances, competitions, fairs, festivals, exhibitions, expositions, and sporting events; ticket reservation and booking services for educational programs, entertainment, motion pictures, theatre, arts and cultural events, concerts, live performances, competitions, fairs, festivals, exhibitions, expositions, and sporting events; publication and presentation of reviews, surveys, and ratings, and providing interactive websites and computer applications for the posting and sharing of reviews, survey, and ratings relating to educational programs, entertainment, motion pictures, theatre, arts and cultural events, concerts, live performances, competitions, fairs, festivals, exhibitions, expositions, and sporting events; providing non-downloadable ringtones, pre-recorded music, video, and graphics for use on mobile communications devices; providing a website for the uploading, storing, sharing, viewing and posting of images, audio, videos, online journals, blogs, podcasts, and multimedia content; publication of books, periodicals, newspapers, newsletters, manuals, blogs, journals, and other publications; providing websites and computer applications featuring books, periodicals, newspapers, newsletters, manuals, blogs, journals, and other publications; news reporting; electronic and online library services; providing non-downloadable computer software for use in connection with fitness and exercise; providing websites and computer applications featuring information in the field of fitness and exercise; digital imaging services; creation of visual effects and graphics for others.

In International Class 42

Design and development of computer hardware, software, peripherals, and computer and video games; computer hardware and software consulting services; computer programming; design of computer databases; electronic data storage; cloud computing services; rental of computer hardware, software, and peripherals; providing online non-downloadable software;

consultation services for developing computer systems, databases and applications; computer security and data security consultancy; data encryption services; providing computer hardware or software information online; maintenance, repair and updating of computer hardware, software, peripherals, and applications; technical support services, diagnosing and troubleshooting of computer hardware and software problems, and computer help desk services; website creation, design, and maintenance services; website hosting services; providing search engines for obtaining data via the internet and other electronic communications networks; creating indexes of online information, sites and other resources available on the Internet and other electronic communications networks; cartography and mapping services; providing an Internet portal allowing users to preview and download electronic books, publications, and other documents; information, advisory and consultancy services relating to all the aforesaid.
